

## **Grants payable under the Domestic Lead Remediation, (Financial Assistance), Regulations, 2016, (S.I. No. 56 of 2016).**

- ❖ Please read the following information notes before completing the Application Form.
- ❖ All questions on the Form must be answered and, where specified, supporting documents must be provided. Incomplete forms or those which are not accompanied by the appropriate documents will not be processed.
- ❖ **If you are an Irish Water Customer, please ensure you have applied for their "Customer Opt-In Lead Pipe Replacement Scheme" BEFORE your plumber has commenced the replacement of lead pipes and fittings in your home.**
- ❖ **Neither the County Council or Department of Housing, Planning, Community and Local Government will guarantee the works carried out. Payment of a Grant will not indicate that either body has responsibility in this regard or endorses the quality of work carried out.**

### **Information Regarding the Scheme.**

#### **1. Purpose of Grant.**

The scheme is available to assist owners of premises connected to a domestic water supply with the costs of replacing lead piping or related fittings located within the internal distribution system of the premises, as defined in the Water Services Act, 2007. The premises concerned must be occupied by the Applicant as his or her principle private residence.

Note: Section 2 of the 2007 Act provides that “internal distribution system” means that part of a distribution system, within the curtilage of a premises, which is used for the provision of water for human consumption or food or drinks production.

In advance of applying for a grant, the home owner must:

- (a) be in receipt of a notification from a Water Supplier advising that there is likely to be lead plumbing, (pipes and fittings), within the curtilage of the premises; **or**
- (b) hold a Certificate issued within the six months immediately prior to the date of application by a Laboratory with Accreditation for testing for lead in drinking water, showing a parametric value for lead in the water supply at the premises which exceeds the statutory limit, currently 10µg/l (10 micrograms per litre). The issuing Laboratory must be Accredited by the Irish National Accreditation Board (INAB).

#### **2. Level of Grant.**

The level of grant aid available is determined on the basis of gross household income and is either 80% or 50% of the approved cost of the works. The table below sets out the level of grant available based on the income of the previous tax year.

<b>Household Income</b>	<b>% Of Approved Costs Available.</b>	<b>Maximum Grant Available.</b>
Up to €0,000:	80%	€4,000.00
€0,001 - €75,000:	50%	€2,500.00
In excess of €75,000:	No grant is payable.	No grant is payable.

#### **3. Household Income.**

Household Income is calculated as the property owner’s gross taxable income in the previous tax year, together with that of his or her spouse or partner.

#### **4. Evidence of Household Income.**

The following evidence of the income of the applicant and his or her spouse or partner in the previous tax year must be included with all applications:

- In the case of applicants subject to **PAYE**: - A PAYE Balancing Statement or equivalent;
- In the case of **self-employed persons**:- A Notice of Income Tax Assessment or equivalent;

Note : PAYE Balancing Statements and Notices of Income Tax Assessment are issued by the Revenue Commissioners. Equivalents include signed statements or letters issued by the Revenue Commissioners and showing the taxable income for the tax year prior to the year in which the works were carried out.

- In the case of **social welfare recipients**: - A statement of taxable income from the Department of Social Protection.

#### **5. Receipts and Certification.**

Each application for grant aid must be accompanied by a receipt from each contractor engaged for the purpose of remediation / replacement works. Receipts must include details of the works carried out and the associated costs.

Each application must also include certification from the contractor engaged to carry out the works that any materials used, including pipes and fittings, are of appropriate quality and that a proper standard of workmanship has been applied. A guidance note for homeowners on the replacement of water supplies made of lead is available on Tipperary County Council's website, at . This is also available from the County Council Offices or at:  
<http://www.housing.gov.ie/water/water-quality/lead-drinking-water/replacement-lead-supply-pipes-guidance-note>

Note: It is the applicant's responsibility to satisfy themselves that any Contractor engaged is competent to carry out the works required and that suitable materials are used.

**Neither the County Council or Department of Housing, Planning, Community and Local Government will guarantee the works carried out. Payment of a Grant will not indicate that either body has responsibility in this regard or endorses the quality of work carried out.**

#### **6. Approved Cost.**

For the purposes of this scheme, approved cost means the actual cost of the replacement of lead pipes or fittings located within the internal distribution system of a premises, **or** the cost estimated by the local authority to be the reasonable cost of carrying out such works, whichever is the lesser. Works do not qualify where the approved cost is less than €200.

#### **7. Tax Clearance Requirements.**

In the case of each contractor engaged to carry out repairs, upgrading or replacement, a copy of a current tax clearance certificate issued to the contractor by the Revenue Commissioners must be submitted.

Note: It is the applicant's responsibility to satisfy themselves that any contractor engaged holds the necessary tax clearance certificate.

#### **8. Processing of Applications.**

Applications should be submitted to the local authority in whose functional area the premises in which the works are carried out are located. Applications will be processed as quickly as possible. If assistance with completing the form is required, please contact the relevant local authority.

The local authority reserves the right to examine the works carried out and to make any enquiries it considers necessary to verify information or supporting documents provided as part of an application for grant aid and may exclude from consideration for grant aid any applicant who supplies false or misleading information or documents.
